

**Emergency Generator Bid Notification**  
**for the**  
**Norfolk Sheriff's Office**

It was brought to our attention that a potential bidder that attended the original walk-through has HVAC capabilities and therefore the additional walk-through will apply to **FIRE PROTECTION ONLY**. All sub bids/general bids should adhere to the dates below.

Due to no response from sub-bidders for **FIRE PROTECTION**, the Norfolk Sheriff's Office is postponing the dates for all bid submissions/openings on the Emergency Generator Replacement.

Additional walk-throughs for **FIRE PROTECTION ONLY** will be held on February 13, 2018 and February 14, 2018 at 10am. Questions from vendors will be due by Friday, February 16, 2018 at 5pm and should be submitted to Steve Randall at [srandall@norfolksheriffma.org](mailto:srandall@norfolksheriffma.org). Answers from the NSO will be sent back to vendors by Thursday, February 22, 2018 at 5pm.

The deadline for sub-bids will be moved to February 28, 2018 at 2pm and general bids to March 7, 2018 at 2pm. Bids will be opened publicly on both of these dates at 2pm sharp.

Please do not consider this as an addendum on your bid form.

Thank you.
