RE: 2023 PREA Aggregated Data

In accordance with 115.88 Data Review for Corrective Action, the Norfolk County Sheriff's Office has completed an annual report from **January 1, 2023 to December 31, 2023** in order to assess and improve the effectiveness of reduction of sexual abuse and sexual harassment. Through training in prevention, detection and response our policies and practices provide great assistance in completing the elimination of such acts.

The Norfolk County Sheriff's Office may redact specific material from this and future PREA reports when the publication would present a clear and specific threat to the safety and security of the facility. Any redacted material must have a general statement to indicate the material has been removed from the report.
